There has been an increase in visits and nursing care this year and full as many calls for clothing, food etc., from the needy families, and these calls have been cared for as much as possible through the Local Red Cross and Welfare Dept, and the generosity of many townspeople.

Much time has been spent in the schools with the usual examinations, the vision test, weighing and measuring, and pediculosis.

With the aid of Federal Funds, under the Child Health Recovery, supervised by the State Board of Education, an eye clinic was held and many needy children with defective vision were fitted to glasses.

There was also a dental clinic this year and children with defective teeth were cared for.

The nurse appreciates the cooperation and help she has received from the townspeople.

Auditor's Report

This is to certify that we have examined the accounts of the various departments of the Town of Gorham for the fiscal year ending January 31, 1935 and report as follows:

The receipts of the town as shown by the books of the Selectmen and Town Treasurer were checked as to source and amount.

The disbursements of the town as shown by the books of the Selectmen and Town Treasurer were checked with the vouchers and checks drawn. All checks were signed by at least two of the selectmen and countersigned by the Town Treasurer. All revenue turned in to the Town Treasurer was covered by proper receipts and was deposited with the White Mountain National Bank or the Berlin City National Bank.

The dog license account as shown by the books of the Town Clerk, shows that certain sums for damages caused by dogs, were paid by the Town Clerk and the amount deducted from the dog license revenue, the balance of revenue, less fees for collecting, then turned in to the Town Treasurer as amount received for dog licenses. It is our opinion that all revenue, less fees for collecting, should have been turned in to the town treasurer and that the bills for damages should have been paid by the Selectmen.

The Town Clerk's accounts of revenue from Motor Vehicle Permits were checked with the books of the Selectmen and Town Treasurer.

The accounts of the Water and Sewer Department were checked with the books of the Selectmen and Town Treasurer. All payrolls were signed by the employees or their recognized agents.

The accounts of the Highway Department were checked with the books of the Selectmen and Town Treasurer. All payrolls were signed by the employees or their recognized agents.

The accounts of the Library Department were checked with the books of the Selectmen and Town Treasurer.

The accounts of the District Nursing Department were checked with the books of the Selectmen and Town Treasurer.

The accounts of the Trustees of Trust Funds were examined.

The accounts of the Municipal Court were examined and the Court Docket checked with the Complaints and Warrants. The account shows that \$100.00, the balance of salary due the Judge of the Court, was deducted from the Court revenue and the balance of revenue turned in to the Town Treasurer. The Selectmen should have paid the salary account in the usual way and the Judge of the Court should have turned in all revenue to the Town Treasurer.

The accounts of the Tax Collector, including the amount committed for collection, the amount collected including the special taxes, on previous years uncollected taxes, on property taxes sold, interest, discounts and abatements were checked with the books of the Selectmen and Town Treasurer.

The accounts of the Fire Department were checked with the books of the Selectmen and Town Treasurer. We suggest that pay rolls be used in this department.

Payrolls and invoices were attached to vouchers.

Respectfully submitted

JOSEPH O. GEORGE

E. H. CADY
